

SUBSTANCE USE DISORDER RESOURCE LIST.

Tennessee REDLINE

1-800-889-9789
Toll Free 24/7

Serves as a referral line to provide up-to-date alcohol, drug, problem gambling, and other addiction information and resources. Also provides referral information for co-occurring A&D disorders and mental health disorders. The REDLINE staff does not provide therapy or counseling to the caller but helps put them in touch with specific referrals based on their needs.

Lifeline Peer Project

Jason Abernathy
NE TN Region Coordinator & Peer
Recovery Specialist
877-366-7593 ext. 105
jason@insightalliance.org

Lifeline Representatives help start Alcoholics Anonymous, Narcotics Anonymous, Celebrate Recovery, and other self-help support groups. They can speak to groups about addiction and recovery. They can also talk with individuals who are struggling with addiction, new to recovery and/or families about navigating recovery and available support in the community. They help connect individuals with treatment and they speak publicly about their own personal experience with recovery.

A current NE TN Treatment and Recovery Resource Guide can be accessed and printed by visiting:

<https://sites.google.com/a/wcadc.com/coalition-central/lifeline>

National Institute on Drug Abuse

www.drugabuse.gov

The mission is to advance science on the causes and consequences of drug use and addiction and to apply that knowledge to improve individual and public health. Resources for publications, research findings, and facts regarding drug abuse.

ETSU

Center for Prescription Drug Abuse
Prevention and Treatment
College of Public Health
423-439-4243
www.etsu.edu/cph/pdam/

The missions of ETSU Center for Prescription Drug Abuse Prevention and Treatment is to partner with communities in Central Appalachia to advance the science of substance abuse prevention and treatment. They focus on:

- Conducting innovative research and evaluation,
- Disseminating and implementing evidence-based prevention and treatment solutions
- Educating and training health professionals
- Engaging with and learning from the community to create lasting solutions, and
- Providing evidence-based, high quality clinical care

TN Crisis Hotline

TN Crisis Hotline
1-855-CRISIS-1 (855-274-7471)
TN Department of Mental Health &
Substance Abuse Services
www.tn.gov/behavioral-health

Statewide Crisis Line to help individuals who are struggling with a mental health emergency. Online resources provide, plan for, and promote a wide array of quality prevention, treatment, habilitation, and recovery support services for Tennesseans with mental illness and substance abuse issues.

TN Together

www.tntogether.org

TN Together is a system designed specifically to engage and empower every citizen to combat opioid abuse in their community. It is an interactive, online resource hub with a three-part goal: inform Tennesseans about the local crisis, empower them with activity ideas and information to combat the crisis, and motivate them to take action by identifying an area they can influence through their resources and activism.

United Way of Greater Kingsport fights for the health, education, and financial stability of EVERY PERSON in our community.
