## HEALTH

When you give to United Way of Greater Kingsport, you help meet the medical and dental needs of more than 5,600 individuals through three programs. One of which is Appalachian Miles for Smiles who provides dental and vision care for free to the uninsured and underinsured. Your gift helps provide dentures and glasses to patients at no charge.

## EDUCATION

When you give to United Way of Greater Kingsport, you help support 1,800 children through local agencies that fight to help our children and youth succeed. One of those agencies is the Kingsport Child Development Center. Your gift helps provide a sliding scale, income-based childcare program to help meet the needs of all children.

## FINANCIAL STABILITY

When you give to United Way of Greater Kingsport, you help support the Kingsport Homeless Coalition, a network of local businesses, ministries, and nonprofit organizations with a goal of ending homelessness. Your gift helped secure permanent housing for nearly 70 individuals in 2022.
