

# HARNESS:

UWGK's easy online giving option, co-branded with your company!

UNITED WAY  
Greater Kingsport

Standard Fundraising (Year-to-Year)  
**Campaign 2025-2026**  
\$120,620 of \$2,500,000

As we reflect on the past few years, we recognize inflation, housing issues, and the lingering effects of the pandemic continue to make life difficult for many people in our community. United Way has been driving positive, sustainable change in our community by uniting people, businesses and organizations to improve lives. Together, we...

UWGK recognizes that in today's ever-changing modern workforce, our traditional workplace giving mechanisms may not suit the needs of many companies. While the backbone of our campaign continues to feature workplace giving where donors can give via payroll deduct options, we are proud to announce a seamless, unique donor experience where your employees can give online, utilizing our "Harness" application.

Companies can easily co-brand with UWGK to feature their logo and name, and they will be given a unique URL that is only for use by their employees. UWGK will work with your team to customize the default, suggested donations (if desired), make any changes to the formal "ask" on the right-hand side, and generate an embed code, should you desire to feature the portal on your own website.

For set-up or a demonstration, contact Lori Miller via email: [lmiller@uwaykpt.org](mailto:lmiller@uwaykpt.org).
